About Fretonix

Fretonix Global Shipping Pvt. Ltd. is a freight forwarding and logistics company moving cargo across sea, air and land, supported by warehousing and customs clearance. Backed by two decades of experience in international business, we bring transportation, documentation, clearance and storage together into one connected cargo journey.

2 decades
of experience in international business

Sea · Air · Land
one coordinated network

6 services
from pickup to delivery

Our Vision

To build a dependable global logistics network that connects businesses and markets through efficient, transparent and professionally managed solutions.

Our Mission

To simplify international logistics by coordinating every stage of the shipment, from origin and port handling to transport, customs, warehousing and final delivery.

CERTIFICATIONS

Our Logistics Approach

We coordinate each stage of the cargo journey into one smooth movement.

Why Fretonix?

01 **Reliable Coordination**
Every stage of the shipment stays connected and organised.

02 **Customer-Focused Approach**
Solutions planned around your cargo, destination and timeline.

03 **Multimodal Connectivity**
Sea, air and land coordinated to suit each shipment.

04 **End-to-End Support**
From port to warehouse and onward, one smooth experience.

05 **Transparent Communication**
Clear updates keep you informed through the whole journey.

One smooth cargo journey, from origin to final delivery.

Industries We Serve

Our logistics solutions are structured around the needs of each sector.

01
Agro
Agricultural produce and inputs moved with the right handling and timing.

02
Electricals & Electronics
Equipment, sensitive electronics and components handled with extra care.

03
Chemical
Chemical cargo shipped with compliant documentation and careful handling.

04
Automotive
Vehicles, parts and components for plants and dealers.

05
Industrial
Machinery and equipment for manufacturing and engineering.

06
Solar & Renewables
Panels, batteries and energy products moved safely.

07
FMCG
Fast-moving consumer goods on dependable schedules.

08
Pharma
Pharmaceutical shipments with documentation discipline.

Specific cargo acceptance and regulatory requirements depend on the commodity, destination and applicable regulations.
